The atmosphere is warm, informal and intimate and caters to both Ashkenazic and Sephardic rituals in a harmonious blend. Our minyan encourages residents to get involved, and our children are known to attend to the residents and help prepare our delightful kiddushim.

Everyone is welcome. Services are held every Shabbat and Yom Tov and Yamim Noraim as well as Sunday mornings and during the week. Shabbat and Yom Tov morning services begin at 9:15 a.m., minchah on Shabbat is followed by seudat shelishit/shalosh shudas, with Torah classes on various themes. Sunday morning services are at 9:30 a.m., and evening services Friday and Shabbat as well as Yom Tov begin around candle-lighting time or earlier.

Our children learn the meaning of loving and respecting the elders of our community by bringing a smile and plenty of TLC..

Our mission is to provide the West Island's Jewish families with a Jewish home away from home and a window into the Jewish world of simcha, knowledge and pride, by constantly supplying new and interesting programming and services to our community.

Our vision: By providing Shabbat, holiday and daily services, life cycle events, social programs, educational opportunities of varying nature for different age groups and interests, along with chessed programs and exposure to (and training in) functional Jewish living, we will give our congregants the tools required for the development of Jewish identity in and around the synagogue.

In addition, the synagogue and its programs will bring Israel, world Jewry and the wider Montreal Jewish community into our ongoing Jewish orbit so as to generate appreciation for the many different pieces that comprise the Jewish mosaic.

Named for the student ghetto east of the McGill University campus that it calls home, the Ghetto Shul is a grassroots student-run synagogue acting as a stronghold of Judaism for the downtown Montreal community. Striving to offer Jewish experiences accessible by Jews from every walk of life, our services generate an atmosphere of warmth and community found in few other places in North America. With events ranging from Friday-night services full of song and dance to organized learning opportunities to holiday celebrations and Klezmer jam sessions, the Ghetto Shul capitalizes on the wide range of young Jewish life and creates memories, friends and a community for any Jew living in, studying in, or simply visiting downtown Montreal.

Judaism has many voices, and Kolot Rabbim aims to be a vehicle for the expression of those voices that may not be expressed within the confines of traditional Orthodox Judaism.
